Greeting and Introduction

Welcome and organization

Program Activities

- **Bug hunt** (*outdoor activity*)
Students use magnifying glasses and search for bugs that live in the forest.
- **What is a bug?**
Students listen to a short bug story and are introduced to various mini beasts through discussion and sharing experiences.
- **What is bugging you?**
Students investigate the various aspects of non-insects and insects by participating in a variety of hands-on, fun centres.

Conclusion and Departure

Summarize, questions and prepare to depart
