

# forensic fun

This fun program allows students to become amateur detectives and forensic experts as they visit a “real” crime scene. Students examine evidence using their skills of observation, deduction, and problem-solving. “It’s elementary, my dear Watson!”

## ► Program Outline | 90 minutes

### Greeting and Introduction

Welcome and organization

### Program Activities

Using their Detective’s Notebook as a guide, students record their observations, and decide what happened.

- Lab 1** Footprints (Impression Evidence)
- Lab 2** “Tampered” Pop (Toxicology)
- Lab 3** Prints (Fingerprints)
- Lab 4** Blood or Chocolate (Blood Analysis)
- Lab 5** Forgery (Document Analysis)
- Lab 6** Fabric Fibers
- Lab 7** “Poison” Toothbrush (mystery powder)

### Conclusion and Departure

Summarize, questions and prepare to depart
